
SCTA C.A. GROUP HISTORY

*SCTA Archives is on a mission to collect group histories throughout the Area. We are asking members to take the list of questions below back to their home groups in order to collect information. These are standard questions asked when collecting group histories for Archives. Please speak with founding members, elders in your group, or your GSR to retrieve this data. If at all possible, and ONLY with the consent of each group, any pictures of the actual meeting place, outside of building with address, meeting formats, street signs where the group is located, or anything unique about meeting area would be helpful as well. ****NO PHOTOS OF MEMBERS****. Please answer the questions to the best of your ability and include as much information as possible.*

Thank you for your service.
